

SAFEHOUSE *Outreach*

MARCH 2026

Our friends on the streets of Atlanta lining up for nightly impact meals.

I love standing near the front door at SafeHouse, watching the day begin as our friends slowly make their way in for conversation and help with whatever challenges they are facing.

One thing that stands out again and again is the strength of many of the women we meet here.

Some come through our doors carrying heavy stories, seasons of hardship, loss, or uncertainty. Yet time after time, we see determination, resilience, and a quiet courage that keeps them moving forward. Whether it is working toward housing, replacing important documents, meeting with our mental health team, or simply taking the next right step, their perseverance is inspiring.

I am also reminded of the many women who support our efforts every day. Staff members, volunteers, and supporters who show up faithfully with compassion and care. Their dedication helps make SafeHouse a place where people are treated with dignity and reminded that they matter.

Thank you for continuing to walk alongside us in this work. Your prayers, encouragement, and generosity help make these moments of hope possible at 89 Ellis Street and beyond.

With a grateful heart,

JOSH M. BRAY
CEO

A NEW BEGINNING FOR MS. HUFF

Ms. Huff's journey is one of perseverance and hope. For years, she lived out of her car, doing her best to get by. When her car was repossessed, she found herself on the streets, facing even greater uncertainty.

She continued working, cleaning for a woman who was able to offer her a place to stay only during the coldest days. In the midst of it all, Ms. Huff came to SafeHouse Outreach over a year ago, searching for stability and support.

Through her determination and with the guidance of Ms. Tammy, Ms. Huff was connected to housing resources and referred to Briarcliff Summit Apartments. Recently, she received the news she had been waiting for, she was approved.

On March 20th, Ms. Huff will move into her very own apartment.

We celebrate this incredible milestone and the strength it took to get here. Congratulations, Ms. Huff — your new beginning starts now.
